

# Supporting new teachers in establishing effective behaviours for learning

- ***Shiraz Chakera***
  - *Professional Networks Manager*
- *General Teaching Council for England*

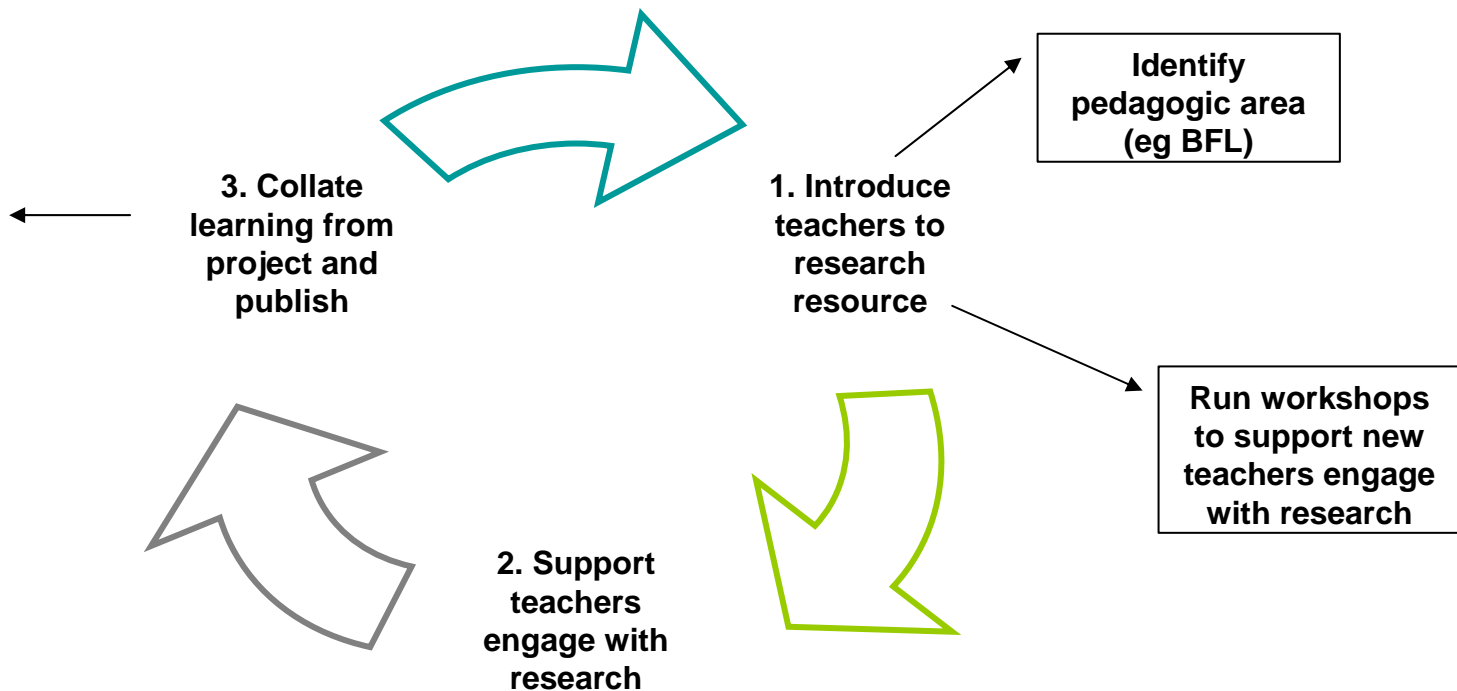

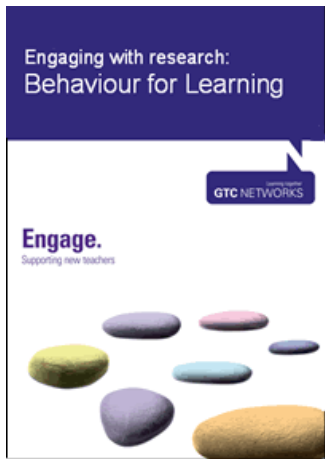

# Getting the behaviour for learning

- Young people's classroom behaviour is often a concern for:
  - New teachers
  - Parents
  - Children and young people
  - Government

# The approach

- Engaging with pedagogic research
- Encouraging the reflective practitioner
- Supporting professionalism

# The process

# Key issues

- Value of early professional development
- Building discourse of pedagogy
